Current savings balance as of February 29, 2004, is \$5,113.867.

Current checking balance as of February 29, 2004, is \$1,750.19.

Received \$360.00 (dues), \$50.00 (from EKU for AAPG Distinguished Lecturer), and \$50.00 from UK for the same.

Paid \$19.95 for monthly Microtec Web site, \$335.00 for the AAPG Distinguished Lecturer, and \$250 to KPS for the Darwin Lecture.

New Business – Richard Smath

No new business.

Committee Members’ Reports

Melissa is waiting for AAPG to send her the 2004 nomination procedures for science teacher of the year. We have also agreed that the KSPG will also offer the nominated science teacher a K-12 geology kit and a certificate.

Dave Jackson has made tremendous progress on meeting with people from the LRC to help him put together a bill for sponsorship.

Other committee members were not at this meeting.

Old Business – Richard Smath

The fall field trip is progressing.

Miscellaneous Business

Brandon brought up that there is a motion in the legislative sessions to reverse the “State” rock and mineral so as to be geologically correct. Brandon said that it may not be in this session, but the next.

**Next Executive Committee meeting was set for Friday, April 16, 2004, at the Natural Bridge State Park dining room at noon. Members are welcome to come and join us.**

Voted to adjourn meeting at 12:46 PM.
